

Dexion Ultima® Longspan 2 - Rear Fit

Product overview

Dexion Ultima Longspan 2 - Rear Fit is the ideal flexible shelving solution to suit a heavy duty retail application. With no holes visible on the front face the aesthetic is clean and uncluttered making it perfect for the commercial environment while still engineered to be strong, durable and safe. The smart design is simple to assemble and can be customised to your needs.

Dexion Ultima Longspan 2 – Rear Fit is ideal for:

- Single tier
- Large, bulky and heavy items
- Long, odd shaped or awkward items
- Archive boxes
- Artwork and museum items
- Retail application

Key features and benefits

- No holes visible on front face for clean aesthetic
- Step beam with flat front face provides space for applying labels
- Clip together assembly for fast easy assembly or disassembly
- Unique connection position allows back beams to be moved when against walls
- Adjustable shelving at 50mm pitch for easy customisation
- Braced frames for strong durable construction
- Modern colour combination to suit office and commercial environment

Dexion Ultima Longspan 2 – Rear Fit can be customised to suit your specific application. The following options are available:

- Shelving options – Timber or Mesh
- Large shelves for storage of bulky goods and cartons
- Slant storage levels for easy access to stored items

Dexion Ultima[®] Longspan 2 - Rear Fit
